Access, Research, Education
OKLAHOMA DENTAL FOUNDATION

Executive Director

Guillermo Gallegos was born in Mexico City, the fifth of eight children, a fact he blames on too little TV. The Gallegos family came to the USA in 1976. Guillermo has lived in Fresno, CA, San Antonio, TX and Oklahoma City, OK, but considers himself an Okie. A graduate of the University of Oklahoma with a degree in Business Administration and Marketing, he has been with the ODOS, ODA and now ODF for 10 years as of July 25, 2006. He is married to Monica and they have a daughter, Andrea, who lights up their lives every single day. Guillermo feels the ODF staff is top notch and says "We don't talk about team work at the ODF, we live it."

Deputy Executive Director – Mobile Dental Care Program

Cari Ogden has recently returned to her birthplace of Bethany, Oklahoma after living in places as widespread and diverse as Kansas, New York, Arizona, Johannesburg, South Africa and Sofia, Bulgaria. She comes to the ODF with the unique combination of extensive non-profit experience and dental practice management experience, having recently worked as the Business Administrator for her family's busy dental practice. Cari earned her bachelor's degree in Business Administration from Mid-America Nazarene University, and her MBA from Arizona State University. She celebrated 27 years of marriage to Mark this past June, and is the proud mom of Angela, age 22, a 5th grade teacher and recently married to Riley DeLong, and Tessa, age 19, a student at Oklahoma State University.

Executive Operations Coordinator

Andrew Ekdahl graduated from Southern Nazarene University with a degree in Business Administration. He comes to us from Georgetown, Texas and enjoys playing the guitar and participating in outdoor sports, including biking, backpacking and snow boarding. Andy spent two summers traveling in the southern U.S. as a public relations representative for his university. He now makes Oklahoma City his home.

Volunteer Coordinator

Kristin Vineyard is the newest member of our staff. Her experience includes coordinating, motivating and retaining volunteers while Director of Ozone Ministries, and coordinating staff at a sports and adventure camp. She holds a Bachelor of Science degree from Texas Christian University, and is currently completing a second degree from Oklahoma City University in Organizational Communication. Kristin recently married her camp sweetheart, KR Vineyard, and relocated to Oklahoma City from Dallas. Kristin loves dodge ball (thanks to camp and her middle school and high school students), indoor soccer, running, reading, and spending time with her husband and family.
